EU Declaration of Conformity

Product Pictures:

The conformity assessment according to Directives mentioned above have been assessed according to the necessary testing procedures in May 2025.

Name of Certification Lab: UL Verification Services Co.
Test Report No.: 4791798602

The technical documentation and test reports relevant for the product described above that support this declaration of conformity is available from the Market Placing Entity mentioned above.

Law 2022-300:

We hereby declare that the computer mentioned above complies with the French Law No. 2022-300 of February 2, 2022, regarding the regulation of digital services, under the following conditions:

- The device is delivered with an installed and licensed version of Microsoft Windows, ensuring compliance with the relevant requirements of the law.
- When sold without data storage and operating system ("barebone"), the device does not qualify as a digital service or platform and is therefore not considered as a regulated device under this law.

This declaration is valid under the specified conditions and does not extend to modifications made by the user post-delivery.
